

WHAT IS TITLE I?

Title 1 is a program through which school districts receive federal funding to provide supplemental instruction for students who qualify. The funds for each school district are based on a State formula that is calculated by the number of students from economically disadvantaged homes. However, Title 1 services provided with federal funds are based on the **academic needs of students**.

The goal of the Title 1 program is to increase student performance and academic achievement.

Progress Monitoring

Students who receive Title I support are served by support staff who are Highly Qualified in Mathematics and English Language Arts. Student progress is monitored on a regular basis to ensure that the supplemental support is effective. The data gathered through progress monitoring helps staff to make intervention decisions.

Complaint Procedures for Title I

As part of its Assurances within Elementary and Secondary Education grant application Act of 1965 (ESEA) programs and pursuant to Section 9306 of the Elementary and Secondary Education Act of 1965 (ESEA), an LEA accepting federal funds also agrees to adopt locally written procedures for the receipt and resolution of complaints alleging violations in the administration of covered programs. Information about our complaint procedures as well as a complaint form can be found on our website (www.moorevilleschools.org) under the Title I tab.

Program Design

Our Title I Program is designed to help students increase achievement in the areas of Reading and Math. This is achieved through tiered interventions that are supplemental to the student's core instruction. All interventions are research based and monitored throughout the school year.

Title I Funding

Title I funds are allocated annually to supplement schools with the highest percentage of students eligible for free or reduced lunch. Funds can be used for:

- Extended learning opportunities for students needing additional learning support
- Professional development for teachers and staff
- Hiring supplemental staff
- Purchase instructional equipment and intervention materials
- Support parent involvement activities
