

# Senior Parking Space Painting Policy

Students entering their Senior (defined as 4<sup>th</sup> year of high school) year at Mooresville High School will be eligible to apply for the privilege of painting a reserved parking space in the East Lot for their Senior year in high school. Students will have to comply with all of the same parking and driving expectations that all other students must abide by. Students granted a spot to paint will have a spot reserved for them from 7:00 am to 3:00 pm on school days. To be able to participate in this, students will have to abide by these guidelines:

- Supply their own paint and supplies
- Pay for their parking spot when they submit their application (\$45.00)
- A color drawing of the painted parking space must be submitted with the application
  - 2018 Dates for application: May 14th-June 13th
- Be able to paint on the specified painting days and times
  - 2018 Painting Days: July 18th-July 25<sup>th</sup>

    - July 21, 22 10am-4pm
    - July 23, 24 12pm-7pm
    - July 25 8am-3pm
- The order in which students pick their parking spaces will be determined by a lottery
  - The physical lottery for picking spots will take place on a June 28<sup>th</sup> at 9 am in the cafeteria.
  - If you can't make it to the lottery day, you may send a proxy to pick a space for you
  - If you can't make and can't send a proxy, the administration will pick a spot for you
- You may only use latex paint (it may not be reflective or fluorescent)
- No using spray paint
- Students must keep an unpainted 3-inch border between the painted spot and the parking line
- All designs must be school appropriate
  - Any designs that are not school appropriate or differ from the approved design will be painted over and money and parking privileges will be forfeited.
- If you make a mess while painting, you will clean it up
- Students may not use school restrooms or facilities to clean up (i.e. brush cleaning)
- Do not leave trash and supplies in the parking lot during and after painting
- You must also fill out the parking permit form from Student Services
  - Your fee for the painting application already includes your fee for a parking permit
- Failure to comply with these guidelines will result in the loss of parking privileges for the entire school year.

- Start painting at the front of your spot out to the end
- Consider making a stencil ahead of time to save you time during painting
