ASSOCIATE SUPERINTENDENT'S CONTRACT OF EMPLOYMENT

This contract (hereafter the "Contract") alters the basic teacher contract for the employment of Jacob Allen as Associate Superintendent (hereafter the "Associate Superintendent") by the Board of School Trustees of the Mooresville Consolidated School Corporation (hereafter the "Board") by consent of the parties in the manner permitted by Indiana law.

1. Employment of Associate Superintendent and Term of Employment.

The Board agrees to employ the Associate Superintendent and the Associate Superintendent agrees to be employed by the Board for an initial period beginning on July 1, 2021 and concluding on June 30, 2024 subject to the terms of this Contract.

The parties agree that the term of this Contract shall automatically be extended one (1) school year on July 1, 2022, and then each successive July 1 thereafter, unless a party gives the other written notice on or before the preceding June 30th that the party does not agree to the automatic extension of this Contract. The parties agree this shall result in a continuous three (3) year Contract, unless one party provides timely written notice to the other as provided herein. The parties acknowledge that the Contract term and any extension thereof shall be subject to early cancellation pursuant to the provisions of Paragraph 4, Contract Cancellation.

The parties agree that the Associate Superintendent shall provide services or perform his duties two hundred sixty (260) days during each school year/Contract year. For purposes of this Contract, a "school year" or "Contract year" shall be defined as a period beginning on July 1 of one calendar year and concluding on June 30 of the following calendar year. The Associate Superintendent's two hundred sixty (260) work days shall include vacation days, sick leave days, and any other leave granted pursuant to this Contract and the School Corporation's policies for Administrators.

2. Duties of the Associate Superintendent.

The parties agree that the duties of the position of Associate Superintendent to be performed pursuant to this Contract are set forth in a job description for the position which is defined by Board policy. The Associate Superintendent agrees that at all times while he is employed pursuant to this Contract he will fully meet the minimum qualifications for the position of Associate Superintendent and will maintain an administrative license from the State of Indiana.

3. Salary and Benefits.

As consideration for the performance of the duties and meeting the qualifications established by this Contract, the Board agrees that the Associate Superintendent shall receive the following:

a. Base Salary.

The Associate Superintendent shall be paid an initial annual base salary of One Hundred Forty-Six Thousand Two Hundred Sixty Dollars (\$146,260.00) for each school year of employment pursuant to this Contract unless otherwise modified in accordance with the terms of this Contract.

Except as other provided herein, if the Associate Superintendent is evaluated as highly effective or effective and achieves the annual performance objectives established by the Board for the Contract year, then the Associate Superintendent will receive a base salary increase that is equivalent to the highest base salary increase received by a teacher employed by the School Corporation (either in percentage or flat dollar, whichever is applicable) during the applicable Contract year.

Also, if the teachers employed by the School Corporation receive a one-time stipend during any Contract year, then the Associate Superintendent will receive a one-time stipend that is

equivalent to the highest one-time stipend amount paid to a teacher during the applicable Contract year. Any one-time stipend awarded to the Associate Superintendent during the term of this Contract under this provision will be paid in the form of a lump sum payment that will not become part of the Associate Superintendent's annual base salary.

b. Vacation Leave Days and Personal Leave Days.

In each school year of the 260 contracted days, the Associate Superintendent shall be granted 20 paid vacation leave days. Unused vacation leave days will be bought out annually by the Corporation at the Associate Superintendent's daily rate of pay (which is calculated by taking the Associate Superintendent's annual base salary for the applicable Contract year divided by 260 contracted days).

In each school year of the 260 contracted days, the Associate Superintendent shall be granted 6 personal leave days. Unused personal leave days will roll into the Associate Superintendent's accumulated sick leave.

c. Sick Leave and Retirement Severance Pay.

In each school year of the 260 contracted days, the Associate Superintendent shall be granted 6 sick leave days. Sick leave days earned by the Associate Superintendent while employed at the School Corporation roll over and accumulate from year-to-year.

Upon retirement, the Board will pay to the Associate Superintendent as retirement severance of \$50.00 for each accumulated and unused sick leave day and \$1.00 for every year of service he has provided to the School Corporation. The Associate Superintendent must have 15 years of service with the School Corporation and be at least 50 years of age at the time of retirement to be eligible for this retirement severance benefit.

d. Other Paid and Unpaid Leave.

In each school year of the 260 contracted days, the Associate Superintendent shall be granted any paid and/or unpaid leave that is required by state or federal law. The Associate Superintendent shall also be granted any paid and/or unpaid leave that is authorized by the Board's policies then in force for its administrative employees, including the Board's recognized legal holidays each school year.

e. Health, Vision and Dental Insurance.

The Corporation will credit or pay the Associate Superintendent with an additional amount that is equivalent to the amount of the premium (minus \$1.00) of the Corporation health, vision and dental insurance plans selected by the Associate Superintendent, which additional amount the Associate Superintendent may use to purchase Section 125 benefits or to take as additional wages as elected by the Associate Superintendent. All amounts paid under this provision are reported to the Indiana State Teacher Retirement Fund for purposes of calculating the Associate Superintendent's retirement benefit in accordance with applicable law.

f. Term Life Insurance.

The Board will provide to the Associate Superintendent a term life insurance policy with a face value equal to \$100,000.00. The Associate Superintendent shall contribute \$1.00 annually toward the cost of the premium for such term life insurance.

g. Long Term Disability Insurance.

The Associate Superintendent may participate in the School Corporation's long term disability plan under the same terms and conditions as all other administrators. The Board will pay all but \$1.00 of the cost of the premium for such long term disability insurance for the Associate Superintendent.

h. ISTRF Employee Contribution.

The Board will make any contribution to the Indiana State Teacher's Retirement Fund that would otherwise be required to be paid by the Associate Superintendent.

i. 403(b) Annuity Plan.

The Corporation shall pay annually to the Associate Superintendent a minimum additional salary amount that is equal to the annual maximum amount established by the IRS for the applicable Contract year, including any catch-up amount, that the Associate Superintendent may, but need not, elect to be contributed to an Internal Revenue Code Section 403(b) plan for each year of employment for the Associate Superintendent. All amounts paid to the Associate Superintendent herein shall be subject to State and Federal taxes and, if permitted by law, be included in "annual compensation" as defined in IC 5-10.2-4.3(c) and used to determine the "average of annual compensation" defined in IC 5-10.2-4.3 (b) and reported to the Indiana State Teacher Retirement Fund for purposes of calculating the Associate Superintendent's retirement benefit. Unless and until the Associate Superintendent completes an applicable salary reduction agreement, any payment made pursuant to this provision shall be paid as additional wages to Associate Superintendent less applicable income and employment tax withholdings.

j. 401(a) Annuity Plan.

The Corporation contributes annually into a 401(a) plan on behalf of the Associate Superintendent an amount equal to 3% of the Associate Superintendent's annual base salary in effect during the applicable Contract year in which the contribution is made.

k. Business and Professional Expenses.

The Board will pay on behalf of the Associate Superintendent all business and professional expenses approved by the Board.

l. Additional Compensation for Education.

The Associate Superintendent will receive the same one-time payment of \$30.00 for every education credit hour he has earned above a master's degree (which is the same benefit that is provided to other similarly situated certified employees of the Corporation).

m. Other Benefits.

The Associate Superintendent will be entitled to all other benefits established by the Board for all other administrative employees and teachers of the School Corporation provided such benefits are not in conflict with the terms of this Contract. To the extent the benefits for other administrative employees and teachers conflict with or duplicate a benefit provided by this Contract, then this Contract shall control and the benefit provided by this Contract shall be the benefit provided to the Associate Superintendent.

4. Contract Cancellation.

The parties agree that the three alternative cancellation provisions set forth in this paragraph shall be the sole and exclusive means by which this Contract and the Associate Superintendent's basic teacher contract may be cancelled (i.e., terminated) prior to the expiration date.

(a) Cancellation Option 1 -- The Board:

- (i) initiates cancellation for cause for one or more of the statutory reasons for cancellation of a teacher contract contained in Indiana law, and
- (ii) gives the Associate Superintendent written notice of its intent to cancel the Associate Superintendent's Contract for cause and provides the Associate Superintendent the opportunity to have a hearing before

the Board in an official executive session at least ten (10) days before the Board meets in a public meeting to vote on the termination.

- (iii) If the Associate Superintendent requests a hearing with the Board under paragraph (a)(ii) herein, and if the Board would subsequently vote in a public meeting to approve the termination of the Associate Superintendent's Contract, then the Board will issue written findings that one or more of the statutory reasons for cancellation of a teacher contract contained in Indiana law exist.
- (iv) If the Board votes to cancel the Associate Superintendent's Contract for cause, then the Associate Superintendent shall be entitled to no further salary or benefits unless such compensation is otherwise required to be offered or paid by law.

(b) Cancellation Option 2 – The Board:

(i) follows this no fault cancellation procedure:

A) provides the Associate Superintendent with at least thirty (30) days written notice that it intends to cancel the Associate Superintendent's Contract without a finding of fault;

B) affords the Associate Superintendent an opportunity for a private conference with the Board in executive session. The purpose of a private conference, if requested by the Associate Superintendent, will be to provide the Associate Superintendent an opportunity to present information and reasons why cancellation is unwarranted,

and an opportunity for the Board to reconsider whether or not the cancellation is in the best interests of the School Corporation;

C) Following the private conference, unless the Board has decided against cancellation of the Associate Superintendent's Contract, the Board will provide the Associate Superintendent an opportunity to resign; and

D) After giving the Associate Superintendent an opportunity to resign, the Board may cancel the Associate Superintendent's Contract, without cause, by a majority vote of the Board taken at a public meeting; and

(ii) then, after applying the above no-fault cancellation procedure, the School Corporation will provide separation benefits to the Associate Superintendent in an amount equal to the Associate Superintendent's annual base salary that is in effect at the time of separation (subject to the monetary cap set forth in Indiana Code) or the remaining amount of base salary due under the Associate Superintendent's Contract, whichever amount is less.

(c) Cancellation Option 3 -- The Board and the Associate Superintendent mutually agree in writing to cancel the Associate Superintendent's Contract.

5. Reassignment.

The Board agrees that it shall not reassign the Associate Superintendent to a new position or to new duties without mutual written agreement of the Associate Superintendent and the Board.

6. Defense and Indemnification.

The Board agrees to provide the Associate Superintendent with legal counsel selected and paid for by the Board and to defend and indemnify and hold the Associate Superintendent harmless for all claims, demands and judgments arising out of the performance of the duties of the Associate Superintendent to the fullest extent permitted by law.

7. Entire Agreement, Contract Amendments and Contract Construction.

The parties agree that each has had the opportunity to obtain assistance of counsel in the process of negotiating the terms of this Contract and sufficient time to consider and understand the terms of this Contract. This Contract and the Associate Superintendent's basic teacher's contract contain the entire agreement of the parties with respect to the employment of the Associate Superintendent. Any modification or amendment to this Contract must be approved in writing by both the Associate Superintendent and the Board and in accordance with law. For purposes of the construction and interpretation of this Contract, both parties participated in the drafting of this Contract and neither party shall be considered the drafter of this Contract or any particular language contained in this Contract.

Agreed this 23rd day of September 2021.
