State Champions!

Congratulations go to the MHS Unified Football Team for earning Mooresville's first athletic team state championship Saturday in a 60-44 win over McCutcheon.

Unified sports are a partnership between the Indiana High School Athletic Association and Special Olympics Indiana. Students with and without disabilities play alongside one another.

The second-year team was undefeated this year, even beating last year's state champions on the way to the title. *Continued on p. 2*

Important School Bus Stop Safety Reminders

All Mooresville Schools bus stops are located on roadways which require ALL traffic in both lanes to stop during stops. This includes all county roads and two-lane highways, such as State Roads 144 and 42. We appreciate community members helping keep students safe on the way to and from school.
