## Preparing for 2019-20

All school offices will be open through Friday during regular school hours. After that, only the MHS office (7:45a.m. to 12:15p.m.) and Education Center office (8a.m. to 3p.m.) will be open during the summer (offices closed July 1-5).

Find Back to School information, including elementary and middle school supply lists, open houses and registration events, enrollment form links, and more on the ["Back to School" page on our website.](#)

Parents of **incoming kindergarten, 6th grade and 12th grade students** are reminded that vaccinations are needed before the start of school this fall. Families of seniors should be aware that the required Hepatitis A vaccination is a series of two doses taken six months apart. View the [Indiana immunization requirements.](#)

# Matching Funds Benefit Historic School Landmarks

Donations to help with the upkeep of Mooresville's historic Academy and Gymnasium buildings will be matched through a new program from the Community Foundation of Morgan County (CFMC).

The CFMC has received a grant from the Lilly Endowment that will match donations (50 cents per \$1 donation) to endowed funds through June 1. Donations to the Academy Building and Gymnasium Building funds will help benefit the ongoing upkeep of these two landmarks, both of which are on the National Register of Historic Places.

The Gymnasium, used today for junior basketball leagues and other Mooresville Schools' programs, was built in 1920 with \$100 donations from 100 Mooresville citizens to create a space for athletic and community events.

The Academy Building is an important part of Mooresville and Indiana history. The 1861 structure originally housed central Indiana's first high school. The Mooresville High School Alumni Association now uses the building as a museum and one-room schoolhouse to help younger

generations understand local and Civil War-era history. See our [video about these landmarks](#).

Donations to the building help with ongoing maintenance such as painting, foundation repairs and more. Most

recently, funds were used to repair the aging windows on the fronts of both buildings.

Those interested in helping with the upkeep of these historic landmarks may donate to the Community Foundation of Morgan County (11 W. Main St., Mooresville, IN 46158 or [www.cfmconline.org](http://www.cfmconline.org) for online donations) with the notation of the "[Academy Building Fund](#)" and/or the "[Gymnasium Building Fund](#)."

To learn more about the history of the buildings, visit our [History and Heritage](#) webpage

Team members included Assistant Superintendent Holly Frye, Technology Director Kyle Davis, PHMS teacher

Crystal Davis, and (pictured above) Neil Armstrong Principal Paul Spencer, Special Education Director Susie Hurt, and MHS Teacher Ada Clark.

## Paper Shredding Program at Tox Away Day June 22

Mooreville Schools will again host a paper shred truck during the Tox Away event this month at MHS. Anyone who would like to shred documents with personal information may do so. There is a suggested donation of \$5 per box or bag. Money raised will help purchase school supplies for students in need.

Tox Away Day is Saturday, June 22, from 8a.m. to 1p.m. See the [full flier](#) for information on items accepted by the Morgan County Solid Waste District at the event.
