## Key Fob Card Safety, Reunification Program

As student photo packages are sent home from school, families will also receive a key fob with a bar code which is matched to each student's information in Skyward. This the second year for the key fob program.

In the case of school emergency which requires family reunification at an offsite location, this key fob will help speed the reunification process. Those arriving to pick up students will be asked to have their key fob scanned and will still be required to show a government-issued ID which matches the authorized pickup names listed in the student's Skyward profile.

## In Remembrance

Newby Elementary students carefully raise the flag and then adjust it to half staff on Wednesday morning in remembrance of Sept. 11, 2001.

The Pioneers take the field at Friday's game through a tunnel of junior football league players.

## Key Fob Program

*Continued from p. 1*

Those who do not have their key fob cards but have a valid government-issued ID matching authorized pickup will still be able to pick up their child, but the process will be longer in their situation. Please note that your key fob card is marked for 2019-2020. Cards from last year may be destroyed, as they are not valid for this year.

Each family is receiving two key fob cards. We ask that parents/guardians who have the cards keep them on a keychain or in an easily accessible place at all times. Families which need additional or replacement cards will need to contact our school office. Additional or replacement cards will be \$5 each. Cards will be sent to the school and the child's primary guardian contacted about pickup options. Please note that the bar code will be different for each child. Parents with more than one child in Mooresville Schools will need to keep more than one key fob.

Please contact your child's school with questions about the program.

Junior football league cheerleaders take the field with their high school counterparts.

# News Briefs

**High Ability Program:** There will be a meeting for parents and guardians of all identified high ability program students on Monday, Sept. 16 at 6p.m. at the PHMS Library. Please enter through Door 14 or 15. This meeting will provide information regarding High Ability Programming, assessment, and curriculum for parents. For more information, contact High Ability Coordinator Erin Bechtold at [erin.bechtold@moorevilleschools.org](mailto:erin.bechtold@moorevilleschools.org).

**Community Information:** Visit our [Community Information webpage](#) for fliers from local nonprofit organizations with activities which benefit students. Recently added fliers include: **Little Leader Cheer Camp, Franciscan Health Movie Night, Upward Basketball, Christian Youth Bible Club, Cub Scouts, Mooresville Junior Girls Basketball League, and Kiersten Woodward Memorial Fund.**

## Quick Tip System

**Available:** Students, families and community members who have safety concerns regarding the school district are able to report information to district administrators. The online Quick Tip system allows anyone to send information anonymously via their phone or computer about a concern. Links to the system are on every school website. [View the system reporting template.](#)
