## MHS Winter Homecoming

The Pioneers will take on Whiteland for Friday's Winter Homecoming game. The evening includes a varsity girls basketball game at 6p.m. and the varsity boys basketball game at 7:30p.m. The girls team will celebrate senior night immediately following their game and the Homecoming Court will be crowned at halftime of the boys game. Friday's games will also be the annual Coaches vs. Cancer game, as the teams honor members of the Mooresville Schools family who have been affected by cancer.

## Celebrating a Milestone

Kindergarten students across the district have been counting the days and learning their numbers in anticipation of a big event, the 100th day of school, which was Friday. Students and teachers ate 100 snacks, took part in activities with 100 items, thought about what they would look like at age 100, and even wore shirts with "100" themes or even 100 items, like Mrs. Burns' class at Neil Armstrong (above).

Kindergarten students weren't the only ones celebrating a milestone on Friday. All fifth grade students who've attended school since kindergarten in Indiana were celebrating their 1000th day of school, just like these fifth graders at North Madison.
