Honoring the Class of '23

This year's senior class turned from students to alumni on Saturday, May 27. The Class of '23 was led by Valedictorian Abigail Koons and Salutatorian Alyssa Kline.

Nearly 48 percent of graduates earning Academic or Technical Honors diplomas. These students maintained at least a B average while taking a more rigorous course load including additional math, science, and world language courses. These students also earned college credits and/or industry certifications for their work while enrolled at MHS. Over 50 of MHS graduating seniors were awarded nearly \$2.5 million in scholarships to further their education.

Crossing the stage for graduation is an amazing moment for every graduate, but even more went into that diploma walk for Lucas Grounds. See the [WTHR coverage](#) of his story

News Briefs

Paper Shredding Fundraiser: The Mooresville Schools paper shredding fundraiser for school supplies for students in need will be Saturday, June 24, from 8am-1pm in conjunction with this year's [Tox Away Day](#) in the MHS parking lots. Individuals or businesses who would like to have documents shredded are asked to donate \$5 per box or bag.

Northwood Building Construction: This summer, Northwood is getting an energy efficiency upgrade, with building sealant and a new layer of brick siding. Due to construction, Door 1 will be closed for several weeks. Anyone who needs to contact the school is encouraged to call ahead (317-831-9216) so staff will know to expect a visit or prepare needed items. Visitors should use Door 5 (between Northwood and MHS) and give the office a call so a staff member may come unlock the door.
