## Outstanding Teachers Honored

Congratulations go to the HOPE (Helping Our Pupils Excel) award winners for all of our schools. These teachers were chosen by their peers as the teacher of the year for their buildings.

This year's honorees include:

- MHS - Chet Dixon
- PHMS - Jacquie Ingle
- Neil Armstrong - Wendy Haas
- Newby - Amanda Gerbick
- Northwood - Brittany Bingham
- North Madison - Amy Alte
- Waverly - Julie Daily

The district winner will be announced at the first staff day of school in August. The district winner will be Mooresville's candidate for the Indiana State Teacher of the Year competition.

## Hargis Joins PHMS Team

The Mooresville Schools Board of Trustees has announced that Cary Hargis will be the new Paul Hadley Middle School Dean of Students and Athletic Director.

“Mr. Hargis has worked in a community very similar to ours, so I believe he will be a great fit,” said PHMS Principal Micah Elliott. “He has a great leadership style and will help continue our athletic program successes.”

Hargis will replace Steve Hilligoss, who retired after serving Mooresville Schools for 45 years.

Hargis currently works as a teacher in integrated chemistry, physics, and biology at Mt. Vernon Community Schools. He was the former Director of Facilities for Mt. Vernon Community Schools before he began teaching at the district. Previously, Hargis served as the Assistant Principal/Director of Athletics

at Triton Central Middle School as well as Director of Athletics at Monrovia High School/Middle School.

“I am grateful for this opportunity to become part of the Pioneer family,” said Hargis. “I have spent much of my career serving those in the middle grades and look forward to working with the staff and students at Paul Hadley Middle School.”

Hargis attended Franklin College where he earned his Bachelor of Arts degree. He continued his education to obtain his Master of Education Degree at Indiana Wesleyan University. He proceeded with his education by attending the Principal Licensure Program.

## Mooresville Ivy Tech Classes Enrolling

The new Ivy Tech Mooresville Campus will open beginning in August at the former Mooresville Schools Transportation Center. The first classes offered include:

PARM 102: Emergency Medical Technician-Basic Training, Aug. 21-Dec. 17

WELD 208: Gas Tungsten Arc Welding, Aug. 21- Oct. 15

WELD 207: Gas Metal Arc Welding, Oct. 23- Dec. 17

Those interested in signing up should complete the online [Ivy Tech Application](#).

Welding classes may be free with the state's [Next Level Jobs](#) grant for students who qualify.

Current high school students may enroll as well, but should complete the Dual Credit & Dual Enrollment Application.

## Northwood Building Construction

This summer, Northwood is getting an energy efficiency upgrade, with building sealant and a new layer of brick siding. Due to construction, Door 1 will be closed for several weeks. Anyone who needs to contact the school is encouraged to call ahead (317-831-9216) so staff will know to expect a visit or prepare needed items. Visitors should use Door 5 (between Northwood and MHS) and give the office a call so a staff member may come unlock the door.

## Free Summer Lunches

The Mooresville Schools summer lunch program has begun. Anyone age 18 or younger eats free weekdays at MHS, Neil Armstrong, Mooresville Mobile Home Park, and the newest location at Pioneer Park Shelter House 4. See p. 6 for menus and times.
