Resources for Families in Need

Families in need of assistance for food, school supplies, coats, and other items have resources through Mooresville Schools. Counselors and Family Services are able to work with families and provide resources for multiple items. Contact your child's school office to get in touch with a counselor or a family services coordinator.

Those who would like to apply for Christmas assistance should contact their school for a Christmas assistance application. Assistance is coordinated through Churches in Mission. Applications should be returned by Thanksgiving.

Congratulations, Northwood!

News Briefs

Winter Weather Reminders: Indiana weather can be unpredictable and parents are advised to work out a “back-up plan” when school is delayed, an elearning day is announced, or schools have to close early due to weather. State law requires that schools be in session for 180 days. When there is an unscheduled school closing, the school day must be made up. Mooresville students will have eLearning days if school buildings must close. When it is necessary to close or delay school, a message will be sent via the school Skylert system to all student households. Calls will be made prior to 6:00 a.m.

Community Information & Fliers: Mooresville nonprofit organizations with activities for school-age students may share fliers in the *Blast*. Current fliers include:
