Winter Weather Reminders

Winter Weather Reminders Indiana weather can be unpredictable and parents are advised to work out a "back-up plan" when school is delayed, an elearning day is announced, or schools have to close early due to weather.

State law requires that schools be in session for 180 days. When there is an unscheduled school closing, the school day must be made up. more than three closure days take place in a row, days may be added to the school calendar.

School officials make decisions about school closings based on weather information and directly checking road conditions, as well as communicating with highway departments, police agencies, and neighboring school systems. School closings will be announced as early as possible, but it is not always feasible to predict if a closing or delay is needed the night before.

When it is necessary to close or delay school, a message will be sent via our Skylert system to all student households. Please update phone numbers and email addresses in Skyward and authorize your phone to receive text messages (see graphic), if you would like text notifications. Calls will be made prior to 6:00 a.m. Local media are also contacted before 6:00 a.m., unless conditions are rapidly changing. You may also get information on our website and social media pages.

When school is delayed two hours:

1. MHS and PHMS classes begin at 9:50; Newby and Northwood at 10:55; Neil Armstrong and North Madison at 11:00; and Waverly at 11:05. Bus pick-up times will be about two hours later than usual.
2. If school has a morning delay, elementary before school programs will open at regular hours. If
