## Important Remembrance

After 20 years underground, the senior class of 2003 time capsule was recently unearthed. It contained students' letters, photos and memories from the first anniversary of 9/11/2001.

The time capsule had been buried outside the school principal's office. Water intrusion caused many letters and photos to be damaged, but several newspapers and some additional items were salvaged. Find photos and see the MHS Broadcast team's video about the time capsule on the [MHS Alumni Facebook page](#).

## eLearning Reminders

Mooresville's first eLearning Day of the year will be Wednesday, Sept. 13.

Students in grades K-12 will take part in online lessons, some live and some pre-set with online teacher hours. Community preschool students will still attend school on eLearning days. Families with questions about eLearning days should contact their child's teacher.

eLearning Days allow students to continue learning while also making time for professional development activities for staff members. Additional district-wide eLearning days for this year include Wednesday, Nov. 8, and Monday, April 8 (the day of the total solar eclipse across Indiana). [See 2023-2024 school calendar.](#)
