Peek at our Week

Reading/LA - A Pet for Calvin

This week we will read a story called *A Pet for Calvin* in Unit 3, Week 2 of our reading series. This is **realistic fiction**, featuring **plot development**. We will also be continuing with novel groups across the fifth grade. Students are expected to read assigned novel pages for the following day. There will be a **test over Unit 3, Week 2 on Friday, 12/13!**

Science: We will be doing some fun Winter Olympic themed STEM activities this week in addition to our Thursday Field Trip to Wonder Lab. If you have volunteered to chaperone, I will be sending you an email later today.

Social Studies: There will be biweekly states and capitals review quizzes. A random 10 states and their capitals will be chosen, and quizzed every other Friday to make sure the kids don't forget them. **Our next States and Capitals Review quiz will be Friday, 12/13.**

Math: Divide Decimals

We will continue Chapter 5, Dividing Decimals this week. See the vocabulary words to the right.

Spelling:

This week, our words will contain suffixes. See the spelling list to the right. **Test Friday, 12/13!**

Notes from the Teacher:

Please send in empty toilet paper/paper towel cardboard by this Wednesday for STEM Olympics.

Don't forget to bring your "Christmas Party in a Bag" on or before December 16th!

Calendar Count Down
